### Declaration of Participation – Community Member Company

Our company recognises the importance of making a full and lasting commitment to reducing the greenhouse gas emissions from our activities, in support of the wider commitment of the world to limit global temperature increases and the impact on their planet.

As a signatory member of the Birmingham Net Zero Community we commit to the following:

1. For our company to achieve 'Net Zero' in line with the science-based targets set out by the UNFCCC (i.e. to achieve Net Zero no later than 2050 and target a 50% reduction in emissions by 2030).
2. To understand our current CO2 reporting position and create targets that are designed to achieve our Net Zero commitments.
3. To report the total Greenhouse Gas emission of our business regularly and for our performance to be part of the Communities annual reporting back to the UNFCCC.

We acknowledge that our commitment will be reported on the Birmingham Net Zero Community website ([www.birminghamnetzero.co.uk](http://www.birminghamnetzero.co.uk))
